## Toppers Testimonials

### CSE 2018

**VARUN REDDY**

**IAS AIR -7 (CSE 2018)**

I am very thankful to the mentors at ForumIAS for sitting with me for hours to help me improve my answer writing strategies and we discussed at length strategies which has been followed by various aspirants and it has been of immense help in achieving the success which I have got today.

**IAS AIR – 1 (CSE 2017)****ANUDEEP DURAISETTY**

I had enrolled in Mains Guidance Programme + of ForumIAS Academy for my GS and Essay test series. The feedback from ForumIAS mentor was very useful in making me realize my mistakes in answer writing so that I could rectify them. I also found post exam discussion incredibly helpful. Because of such feedback. I could greatly improve my writing speed, frustration and answer content.

I am grateful to the entire ForumIAS Academy.

**CSE 2016****IAS AIR – 87 (CSE 2016)****PRAJIT NAIR**

I had joined this test series and it turned out to be a gem. What I really liked about the evaluation was an objective assessment and a human contact. I know both these are contradictory. Evaluation is a human endeavour. There are strong biases common in every evaluator. An access to the evaluator gives an idea about these biases. An evaluator looks for certain things when he gives marks. Things like coherence, lucidity, presentation etc. catch the evaluator's eye. I experimented a lot with my papers in the course of these 8 tests. During the sessions in which I used to interact with my mentor, he was able to point out broad areas of improvement and possible shortcomings.
